Individual EATING

WELCOME

We are pleased to offer our individual eating menus available for delivery in the South Wales & West area. We have put together a carefully designed set of menus that will be perfect to eat safely in any meeting. Everything is made fresh daily so if there is something in particular you were looking for that you can't see then please do not hesitate to ask, as we can create you a bespoke menu.

ORDERING

We can set up an account for you if you want to become a regular customer, you will then have to simply email us your order giving us 24hrs notice if possible.

We can help with short notice orders also.

You can also order this menu on our online shop where we take all major credit & debit cards or paypal.
